Attractive Remuneration

Kick-start your career @IBM

Who is IBM looking for?

We look for people with a passion for technology, a curiosity to learn, and a deep desire to be the catalyst that makes the world work better. Although we hire into many different areas, our primary focus is to attract: Consultants, Developers, Sellers, Tech sellers, Business Analysts.

Why become an IBMer?

There are 3 main reasons IBMers join and stay:

- Possibility: People believe they can be seen and make an impact on IBM and the greater world
- Curiosity: The latest technology can support individual ambition, learning and progression
- Individuality: Individuality and contribution is recognised

What do we value?

At IBM, we value different experiences, perspectives, and ways of thinking and problem solving. We want you to be yourself. To support your individuality, we believe that you should have many opportunities to grow and develop your career.

Bring your authentic selves to work

Whatever you choose to do at IBM, we just ask that IBMers bring their best and most authentic selves to work.

So when you're working on your application and reflecting on what you can bring to IBM, ask yourself: What experiences, skills, and perspectives do YOU bring to IBM, that no one else can?
