

stop asking
what if?

What is the change that you want to have in your life?

Global networking

Problem solving skills

Team work

Communication skills

AIIESEC's Global Volunteer programs are what you are looking for. Now, you are given the opportunity to go abroad for 6 weeks and contribute to one of the 17 Sustainable Development Goals.

APPLY HERE

Explorer - Romania

Global Volunteers will contribute to participants' development by teaching them how to work in a team, how to navigate in nature using mathematical knowledge & having an understanding of sources that surround them in nature, how to communicate in a team & how on a daily base use English. Additionally, a role is for open-minded people with good communication, creativity & storytelling skills who enjoy being in nature as well as with the willingness to work with young people and peers and to be able to take a lead but also be ready to follow instructions.

Eco City - Germany

Global Volunteers will be involved in community outreach to a sustainable living field by running activities to develop and increase sustainable understanding and knowledge of community life.

Hearbeat - Sri Lanka

Global Volunteers will be involved in community outreach in the public health field by creating and running outreach activities that aim to raise awareness on prevention of non-communicable diseases, healthy lifestyle habits and mental health in the community.
