

## The organization

Why Join Us? It's More Than a Job in Retail, It's Your Story.

At Public Group, we believe in the power of our people in a sustainable way. That's why we're not just focused on what you do, but who you become. We're committed to fueling your growth, because when you win, we all win. Imagine a place where you feel supported, valued, and empowered to make a real difference. A place where you can build a career you love, to **leave your mark in our story!**

Public Group strategically invests to create an ecosystem of innovative scaleups around its core Omnichannel Retail business, with the objective to provide exciting customer experiences powered by operational excellence. We bring together technology, talent & entrepreneurship to create value in the Greek market & society.

Our Omnichannel retail, in Greece and Cyprus, is the love brand Public, a Leading Omnichannel Home Living, Tech & Entertainment Retailer with long lasting heritage. Innovation is part of our DNA. Through our ecosystem of startups and organizations, - iRepair, Klarna, Douleutaras.gr, SVUUM, Bookvoice, BOX NOW, Instacar, our tech PublicNEXT, Endeavour, Big PI, Metavallon, & Venture Friends - we offer pioneer services to our consumers. We operate 60 stores, 3 eShops and an ecosystem of digital properties such as: public ticketing, public business and bookfriends.gr.

As a **Property Development Junior Specialist**, you will support the planning and execution of projects like new store setups, renovations, and maintenance. You will oversee construction work, manage budgets and timelines, ensure facilities are safe and operational, and address technical issues. Collaboration with authorities and internal teams will be key to securing necessary documentation and successful project delivery.

### Responsibilities:

- Draw the budget and time plan for various projects such as: New Stores setup, remodeling & renovations of existing stores
- Supervise all construction work and ensure optimal result within the allocated timeframe and budget
- Ensure that all store facilities and equipment is functional, safe and in good condition
- Monitor all technical issues, propose appropriate solutions and ensure implementation

- Cooperate with relevant Authorities and other departments for the provision of required documents, drawings, certificates

**Requirements:**

- Bachelor's degree in Civil Engineering, Architecture or other related field
- Strong knowledge of AutoCAD
- Strong knowledge of MS Office
- Strong analytical, problem solving and critical thinking skills
- Ability to take initiative & ownership
- Team spirit & good communication skills
- Excellent planning and time management skills

**What we offer:**

- Competitive compensation & benefits package
- Bonus scheme
- Life & Health insurance
- Behavioral health programs
- Dynamic work environment
- Exciting opportunity to grow with the role
- Great experience in a well-known and respected growing business
